SUBJECT: [REDACTED] Assignment Limitations Resulting from
the Medical Evaluation of Personnel

1. In accordance with your request, this office has considered the suggestions obtained during coordination of the subject Notice. In general, all of the comments received suggest that the Agency component having jurisdiction over the employee be notified of any assignment limitations imposed upon an employee by the Medical Office.

2. This suggestion has been incorporated and additional editorial changes made in the original text. These changes have been approved by the Chief, Medical Staff.

3. It is not believed that additional coordination of this Notice is required prior to its transmittal to the Acting Deputy Director (Administration) for authentication.
